

Seminar on Classroom Management

Seminar on Classroom Management Professionalism was conducted by Mr. Shekhar Bagwan, a reputed speaker with an experience of more than a decade in conducting workshops for teachers, parents and students. He is one of the youngest peak performances, 'Guinness World Record' holder, Memory Trainer, Mind Trainer, NLP Practitioner and motivational speaker of India.

It essentially looked into the nuances of handling children and the ways to make the teacher student interaction effective and fruitful. Emphasis was laid on bringing the best out of each student.
